ACHMAD HADZAMI SETIAWAN

Baciro, Yogyakarta | hadzami.app | +6281216734872 | hadzami.id@gmail.com | linkedin.com/hadzami

SHORT PROFILE

A Computer Science Student who is **proactive** in self development. Continuously **upgrading** soft skills and IT skills and trying to take lessons from each event of my life, especially **learning from mistakes**. Also a **late specializer**, have tried to study various fields such as genetics, anthropology, geopolitics, physics, history, psychology, and several other fields. But now I find a passion, which is my beloved IT field, especially **software engineering and data**.

SKILLS & TOOLS

JavaScript/Web Developer with specialization in Front-End Application

- **Programming-Languages:** Javascript, Typescript, Node JS, C++, Python, Java, HTML, and CSS
- **Frameworks:** React JS, React Redux, React-Redux Toolkit, Express JS, Tailwind CSS, Material UI, and Next JS.
- **Services:** Firebase, MongoDB, VSCode, Vercel, Heroku, and Netlify
- **Project Management Tools:** Github and Figma Jam
- **UI/UX Tools & Resources:** Figma, Dribble
- **Complementary Tools:** Markdown, Latex, Numpy, Pandas, Matplotlib, Seaborn

EXPERIENCE & VOLUNTEER

Himakom / INEX
Sep 2021 - PRESENT, UGM

1. **Creative at Pemira (Pemilihan Raya) Himakom** (Nov 2021 - Dec 2021)
   - Designing instagram feeds and Line.
2. **Technical Support at HBKI (Himakom Berkunjung ke Kampus dan Industri)** (Jan 2022 - May 2022)
   - Actively assisting the team in technical stuff.
   - Responsible for the success of the webinar event on the day as Technical Support Coordinator.
   - Set up scenes and templates for the webinar using OBS Studio.
   - Communicate with the event division and mc to make the webinar a success.
3. **Secretarial Division at Makrab and Booting Computer Science** (Feb 2022 - Aug 2022)
   - Serve some secretarial aspects such as attendance, forms, student information.
   - Ensure the completeness of computer science student data.
4. **Technical Support at KUBIK** (Jan 2022 - Feb 2022)
   - Responsible for the success of the webinar event on the day as Technical Support Coordinator.
   - Actively participate in meeting simulation with company staff

Oct 2021 - Jul 2022, Non-UGM

- Dedicated in teaching mathematics to high school students (± 100 person) using online platform
- Actively provide ideas on how to teach and the formation of a new division (i.e. IT)

PROJECT

- **hadzami.app:** Personal Website
- **13.mipa.app:** Quotes Sharing Website

EDUCATION

Universitas Gadjah Mada / Computer Science

Aug 2021 - Present

Current Semester: 3rd Semester

Current GPA: [3.84/4.0](3.84/4.0)

Coursework: UI/UX and Frontend, Database, Web Semantics, Algorithm and Data Structure, Programming with C++, Object Oriented Programming with Java, Linear Algebra, Discrete Math, Introduction to Statistics, etc

SMAN 2 Lamongan / Natural Science and Math

Jul 2018 - May 2021

GPA: 92.6/100

- Top 21 students in cumulative rankings from 450+ studen.ts
- Volunteer in making "cause and effect" and "santet nyi sunden" film projects as director and editor for Defico (internal competition at SMAN 2 Lamongan).

AWARDS & CERTIFICATE

1. **React JS - The Complete Guide (incl Hooks, React Router, Redux), Academind**
   Aug 2022

2. **Pandas, Kaggle**
   May 2022

3. **Python, Kaggle**
   May 2022

4. **Belajar Dasar Visualisasi Data, [Dicoding](#)**
   May 2022
5. **Memulai Pemrograman dengan Python, [Dicoding](#)**
   May 2022
6. **Bronze Medal, [Mathematics POSI](#)**
   Dec 2020

   a mathematics olympiad contest
7. **Semifinalist, [Electra ITS](#)**
   Feb 2021

   a programming and electronics contest.
8. **Semifinalist, [Medical Science and Application Competition Unair](#)**
   Feb 2021

   a competition in the fields of biology, chemistry, physics, and medicine.
